# ASSIGNMENT

1. Compare the different types of leadership styles.  
Answer ⇒ Leadership styles can vary widely but most can be classified into several categories:

1] Autocratic leadership: A leadership style where the leader makes decision unilaterally, without much input from team members. The leader retains most of the authority and control over decision and processes.

2] Democratic leadership: A leadership style where decision making is shared among team members. The leader encourages participation and values input from the team, fostering a collaborative environment.

3] Transformational leadership: A leadership style that focuses on inspiring and motivating team members to achieve their full potential and exceed their own self-interests for the greater good of the organization. This style is often associated with significant change and innovation.

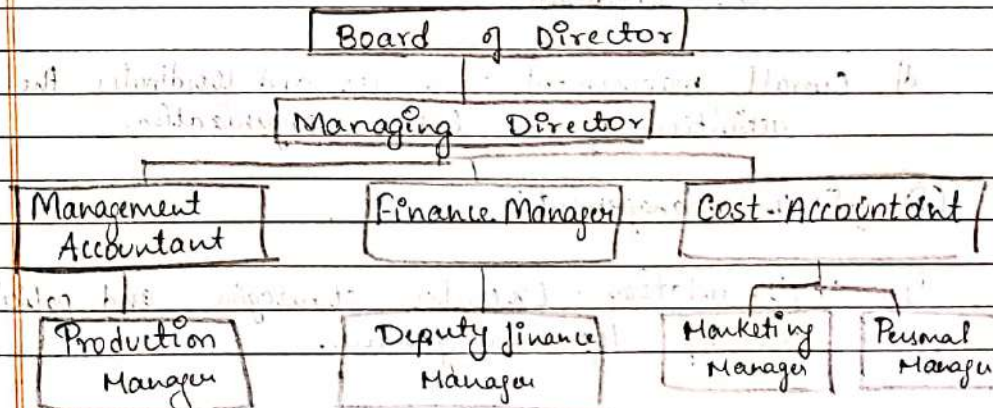

4] Transactional leadership: A leadership style that emphasizes and structure. Leadership using this style focus on maintaining established processes and use rewards and punishments to manage performance compliance.

5] Laissez faire leadership: A leadership style characterized by minimal direct supervision and intervention. Team member are given significant autonomy to make decision and manage their own work.

6] Servant leadership: A leadership style that prioritizes the needs and well-being of team members. Leaders using this style focus on serving their team, helping them develop, and fostering a supportive and nurturing environment.

7] Charismatic leadership: A leadership style that relies on the leader's personal charm, magnetism, and persuasive abilities to inspire and motivate followers. Charismatic leaders often have a strong vision and are able to create an emotional connection with their team.

2. Draw an organizational chart showing the line of authority and responsibility.

## **Case Study – Principles of Management (POM)**

**Programme: B.Com**

**Subject: Principles of Management**

**Topic: Organising**

**Teaching Method: Case-Based & Participative Learning**

**Case Title:**

**Organising Challenges at Sunrise Café**

**Case Description:**

Sunrise Café is a newly established food outlet planning to expand its operations within six months. Initially, the owner managed all activities such as purchasing, food preparation, billing, marketing, and staff supervision. As the café grew, delays in service, confusion in duties, and employee dissatisfaction started affecting business performance. Employees were unclear about their roles and reporting relationships. Overlapping duties led to conflicts, and decision-making became slow. The owner realised the need for a proper organisational structure to ensure smooth functioning and future growth.

**Tasks for Students:**

1. Identify the problems faced due to lack of proper organising.
2. Explain the importance of division of work and delegation of authority in this case.
3. Suggest a suitable organisational structure for Sunrise Café.
4. Explain how proper organising can improve efficiency and coordination.
5. State the advantages of organising applicable to this case.

**Expected Learning Outcomes:**

**Conceptual clarity on organising as a function of management**

Development of analytical and decision-making skills

Understanding of authority, responsibility, and coordination

Application of management concepts to real-life situations

#### **Supporting Documents**

~~Student case analysis answers~~

~~Group discussion records~~

Class notes and PPTs

~~Classroom discussion photographs~~

In Principles of Management, case-based learning was used to explain organising concepts. Students analysed real-life business situations and suggested suitable organisational structures, thereby enhancing analytical thinking and decision-making skills.

Case Title: Organising challenges at Sunrise Cafe

Case Description:-

Sunrise Cafe is a newly established food outlet planning to expand its operations within six months. Initially, the owner managed all activities such as purchasing, food preparation, billing, marketing and staff supervision. As the cafe grew, delays in service, confusion in duties and employee dissatisfaction started affecting business performance. Employees were unclear about their roles and reporting relationships. Overlapping duties led to conflicts, and decision-making became slow. The owner realised the need for a proper organisational structure to ensure smooth functioning and future growth.

Questions

1. Identify the problems faced due to lack of proper organising.

The problems faced by the Sunrise Cafe like delay in service, confusion in duties, overlapping of work and employee dissatisfaction.

2. Explain the importance of division of work and delegation of authority in this case.

Division of work:-

- Helps in assigning specific tasks to specific employees.
- Employees become specialists in their work.
- Reduces confusion and duplication of work.
- Increases speed and efficiency in cafe operations.

Delegation of Authority:-

- Authority should be given along with responsibility.
- Reduces workload of the owner.
- Motivates employees and improves morale.
- Ensures smooth functioning of daily activities.

3. Suggest a suitable organisational structure for Sunrise Cafe.  
A Functional Organisational Structure is most suitable for Sunrise Cafe.

Under this structure, activities are grouped according to functions, and each function is handled by a specialist. This helps in clear division of work and smooth functioning of the cafe.

4. Explain how proper organising can improve efficiency and co-ordination.

Proper organising improves efficiency and co-ordination in the following ways:-

- Clearly defines jobs and responsibilities.
- Avoids duplication of work.
- Improves teamwork and co-operation.
- Ensures smooth flow of communication.
- Leads to faster service and better customer satisfaction.

5. State the advantages of organising applicable to this case.

The advantages of organising applicable to this case are:-

- Clarity of duties
- Better coordination
- Efficient use of resources
- Reduction of conflicts
- Growth and expansion
- Employee satisfaction
- Faster decision-making

## CASE STUDY

### Organising Challenges at Sunrise Café

Case description: Sunrise Café is a newly established food outlet planning to expand its operations within six months. Initially, the owner managed all activities such as purchasing, food preparation, billings, marketing and staffing supervision. As the Café grew, delays in service, confusion in duties, and employee dissatisfaction started affecting business performance. Employees were unclear about their roles and reporting relationships. Overlapping duties led to conflicts, and decision-making became slow. The owner realised the need for a proper organisational structure to ensure smooth functioning and future growth.

#### 1. Identify the problems faced due to lack of proper organising.

→ Due to the absence of a proper organisational structure. The owner handled all activities alone, which led to delay in services and slow decision-making. & No clear division of work, resulting overlapping duties & role confusion among employees. There is lack of defined authority & responsibility relationships caused conflicts, employee dissatisfaction, and poor coordination, overall performance and growth of the Café.

2. Explain the importance of division of work & delegation of authority in this case

→ According to me, division of work increases efficiency by assigning specific tasks to specific employees, who are specialised in their work. This leads to higher efficiency and better quality of service. Delegation reduces the burden on the owner & enables the employees to take responsibility and make quick decisions.

3. Suggest suitable Organisation structure for Sunrise Café.

→ A Functional Organisation structure is suitable, because:  
• owner/manager  
• purchase & inventory department  
• service & billing dept.  
• marketing & promotion department  
• staff supervisor etc. It has proper division of work, clear authority, effective supervision, & smooth coordination among departments.

4. Explain how proper organising can improve efficiency & coordination.

→ Clear division of work & duties avoids confusion. Better coordination among departments, reduce conflicts and duplication of work.

5. State the advantages of organising applicable to this case

→ The advantage of organising is optimum utilization of resources, maintaining the good relation with employees & teamwork. Clear authority & responsibility delegation. May <sup>lead to</sup> smooth functioning & future growth of the organisation.

Therefore, organising as a management function enables efficiency, coordination & goal achievement in Sunrise Café.

"ಮೆಂಟರ್ ಸ್ಕೀಮ್" : ಇದು "ವಿದ್ಯಾರ್ಥಿ-ಶಿಕ್ಷಕ-ಪೋಷಕರ" ನಡುವೆ ಇರುವ ಸುಮಧುರ ಸಂಬಂಧವನ್ನು ಇನ್ನಷ್ಟು ಬಲಪಡಿಸುವ ಒಂದು ಮಹತ್ವದ ಯೋಜನೆ. ಈ ಯೋಜನೆಯಲ್ಲಿ ಪ್ರತಿ ಅಧ್ಯಾಪಕ ಮೆಂಟರ್‌ಗೆ 10-12 ವಿದ್ಯಾರ್ಥಿಗಳಿದ್ದು, ಅವರ ಮಾರ್ಗದರ್ಶನದಲ್ಲಿ ವಿದ್ಯಾರ್ಥಿಗಳ ಸಮಗ್ರ ವ್ಯಕ್ತಿತ್ವ ವಿಕಸನದತ್ತ ಗಮನ ಹರಿಸಲಾಗುತ್ತದೆ. ಆತ್ಮೀಯ ಪೋಷಕರೇ, ಇಂತಹ ಮಹತ್ವದ ಯೋಜನೆಗಳು ಯಶಸ್ವಿಯಾಗಲು ನಿಮ್ಮ ಅನೇಕ ಸಲಹೆ, ಸಹಕಾರಗಳೊಂದಿಗೆ ಸಕ್ರಿಯ ಪಾಲ್ಗೊಳ್ಳುವಿಕೆಯೂ ಬಹಳ ಮುಖ್ಯವಾಗಿದೆ.

ನೀವು ತಪ್ಪದೆ ಕಾರ್ಯಕ್ರಮಕ್ಕೆ ಆಗಮಿಸಿ, ನಿಮ್ಮ ಮಕ್ಕಳಿಗೆ ಸಂಬಂಧಪಟ್ಟ ಮೆಂಟರ್‌ರನ್ನು ಕಾರ್ಯಕ್ರಮದ ನಂತರ ಅವಶ್ಯವಾಗಿ ಭೇಟಿಯಾಗಿ.
